

# Twilight

Shawn Colvin

Over by the wild wood it was a hot summer night  
We lay in the tall grass, 'til the mornin' light come shining  
If I had my way I'd never get the urge to roam  
Sometimes to serve my country, sometimes I stay at home  
Just don't put me in a frame upon the mantel  
Where memories grow dusty old and gray  
Don't leave me alone in the twilight  
Twilight is the loneliest time of day  
And I never gave it a second thought, I never crossed my mind  
To what's right and what's not, I'm not the judgin' kind  
But I would steal your darkness and storms from the skies  
We've all got certain trials burnin' up inside  
Just don't send me no distant salutations  
Or silly souvenirs from far away  
Don't leave me alone in the twilight  
Twilight is the loneliest time a day  
And don't put me in the frame upon the mantel  
Where memories grow dusty old and gray  
Don't leave me alone in the twilight  
Twilight is the loneliest time a day
