

Darwin Star

Des'ree

Yee yeah

Yee yeah

Yee yeah

Yee yeah

From a child, he was golden
Now he's a man
Whose looks were stolen
From some glossy page
Promising dreams of pure caviar
Starting out, wouldn't listen
His mother tired
Father reasoned 'bout painted-on smiles
Reel you in slowly to steal your place

Dah, de daah

(Dah, de daah)

Yes I trusted you

Do de daah

(Do de daah)

Yes I trusted you

Inside and out

(Do de daah)

Oh I trusted you

New world age

Dah, de daah

Dah, de

Try again, feels defeated

(Defeated)

Once again won't be depleted

You'll survive true survivor, a Darwin star, yeeah

Turn the key, let me out gently

Into the light, I walk eagerly

I breathe in, I surrender

And I'm not afraid

Dah, de daah

(Dah, de daah)

Yes I trusted you

Do de daah
(Do de daah)
Yes I trusted you
Inside and out
(Do de daah)
Oh I trusted you
New world age

I am, now ready to fly away
Give away, gave away
Sometimes life, it gets in the way
Give away, given
Yee yeah
Haa

Yea yea
Nothing to blame
Never has very much to say
Laugh last, laugh longest
I know sometimes life gets in the way
You'll survive, be strongest, yes
We know you are here now
Yee, yee, yee yeah
Yee yeah
Yee yeah, yee yeah now
You'll survive, be strongest

No no
(Umbe yee yee yeah)
No no
No no
(Umbe yee yee yeah)
No no
No no
(Umbe yee yee yeah)
No no
No no
(Umbe yee yee yeah)
No no
No no
(Umbe yee yee yeah)
No no

You'll survive, be strongest

Yee yeah

(Umbe yee yee yeah)

Yee yeah

(Umbe yee yee yeah)

Yee eee eee eee

(Umbe yee yee yeah)

(Umbe yee yee yeah)

Yee eee eee eee

(Umbe yee yee yeah)

(Umbe yee yee yeah)

You'll survive, be strongest

(Umbe yee yee yeah)

(Umbe yee yee yeah)

Be strongest, yeah

(Umbe yee yee yeah)

(Umbe yee yee yeah)

Be strongest

(Umbe yee yee yeah)

(Umbe yee yee yeah)
