

# Janice

## The Associates

Janis came, took your clothes  
Took your clothes  
Janis came, took your clothes No one knows  
Where she went to, where she went to  
Last time we heard that she went to In the time that it took to call you  
In the time that it took to call you  
Which was seconds merely seconds  
Last time we heard she was crying, crying We feel for you deeply concerned  
If you need us, we'll be helpful  
Hopefully
