Ain't No Laughing

The Tony Rich Project

It's that time again
When memories arise
Of a certain song in my headIt makes me think of you
In a spooky mood
With a halo hanging over your headWith the angels you dance, you sing
You told me once beforeNow why would you lie to me
When you could set my pain free
My daddy knocking on the doorWho says that I'm enjoying life?
'Cause people all around
But the one I found, can't be around
So I'm feelin' down
On that early morningHey hey hey hey hey
When I think of you
I find it being on special daysHee hee hee hee hee
Ain't no laughing
No joyous times
When you're not here with meHere I sit and stare into the cold air
At a cloud that pays me no mindKnowing in my heart
That I'm trying to see you
In the bright blue sky, above Tuxedo right?You'd never wear a suit
Just a sweater and a pair of slacks
And some nice shoes to matchwell, in the midst of them, my eyes are full
Cause I'm ready to cry
But I'm not afraid cause I'm a guySaid I told myself
There's no use in waiting for you
In your precious car
But only God knows I'd give my all
To be with you on that early morningHey hey hey hey hey
When I think of you
I find it being on special daysHee hee hee hee hee
Ain't no laughing
No joyous times
When you're not here with meHey hey hey hey hey
When I think of you
I find it being on special daysHee hee hee hee hee
Ain't no laughing
No joyous times
When you're not here with me
