## Dream Junkies

See what you did?

Sorry man. I'm addicted

Puff

Get on 'fore you smell my smoke

Get on 'fore you smell my smoke

Get on

You better get on 'fore you smell my smoke

Get on 'fore you smell my smoke

Get on 'fore you smell my smoke

Get on

You better get on 'fore you smell my smoke

Inhale

Exhale

You better get on

You better get on 'fore you smell my smoke

Inhale

Exhale

You better get on

You better get on 'fore you smell my smoke
