Baby Believe

Kristy Lee Cook

Take my time, I'm gonna make you mine
Make you believe again, in me again
I know I can, if it's the last thing I doMissed my chance
We were the best of friends
Don't know how I ever convinced myself
That I could live with out youOh, just let me fall, please let me fall
Right back into your arms
It's not too late we can have it allIf I could get back the love that we lost
I would make it all up to you, baby believe
Just give me one night together and I'll make it better
Do it right this time, baby, you'll see
You're all that I want, all that I need, baby believeI can't find one single reason why
You'd put your trust in me and faithfully
Come back to me after I let you goBut let me try, please let me try
Believe in me one more time 'cause, boy, this time
I'll prove to you that I'm the oneWho will get back the love that we lost
I would make it all up to you, baby, believe
Just give me one night together and I'll make it better
Do it right this time, baby, you'll see
You're all that I want, all that I need, baby, believeThere's nothin' I wouldn't do
And I'll spend my whole life proving to you
Yeah, oh, babyJust give me one night together and I'll make it better
Do it right this time, baby, you'll see
You're all that I want, all that I need, baby, believe
Oh, baby, oh, believe in me, baby
