In My Arms

Kylie Minogue

How do you describe a feeling?
I?ve only ever dreamt of this
DJ?s spinning up my favorite song
Hurry up and get it groove on
Light fantastic and it won't be long
Don?t let the moment slip away
?Cause you and I could find a pleasure
No one else has ever known
Feels like it is now or never
Don?t wanna be alone
How does it feel in my arms?
How does it feel in my arms?
Do you want it? Do you need it?
Can you feel it? Tell me
How does it feel in my arms?
Got a feeling this is something strong
All I wanna do is move on
No more wondering where I belong
So never go away
It's you and I against the pleasure
No one else has ever known
Feels like it is now or never
Don?t want to be alone
How does it feel in my arms?
How does it feel in my arms?
Do you want it? Do you need it?
Can you feel it? Tell me
How does it feel in my arms?
I?m listening
How does it feel in my arms?
How does it feel in my arms?
Do you want it? Do you need it?
Can you feel it? Tell me
How does it feel in my arms?
