

# Nineteen Ninety Heaven

## Nothing

See you  
Crying  
Softly  
So cautiously  
Then you  
Glide off  
So gently  
Baby I'm living in a dream world  
Life's a nightmare  
And I don't ever wanna wake  
I'm living in a dream world  
Life's a nightmare  
And I don't care how long it takes
