

Once You've Tasted Love

Take That

Love, once you've tasted love
Love, once you've tasted love
Love, once you've tasted love
Love, once you've tasted love Don't be sold a dream, remember how the past has been
Don't be led to believe, this one's for you
Calculate your needs, I see there's room to plant your seeds
Don't decide till you see how the others have grown Once you've tasted love, it is just the beginning of a new
world
Once you've tasted love, there's no way you can give in, oh no
Once you've tasted love Still too early to know, give them time and they will grow
Don't believe that the first's the one for you
Most will grow to be tall, others will break and fall
Keep your eye on the strongest head of them all Once you've tasted love, it is just the beginning of a new world
Once you've tasted love, it is just the beginning your head is spinning
Once you've tasted love Once you've tasted love, it is just the beginning of a new world
Once you've tasted love, there's no way you can give in, oh no
Can't control your mind and your head is still spinning, oh yeah Once you've tasted love is just the beginning
Once you've tasted love, yeah
You've tasted love, you know is good
Come taste my love, you know you should Came into my world and the badness dissappeared
Take my hand, don't be afraid, I'm gonna work off all your fears
It feels so nice to be with you, us two, we feel like a glove
When I see your eyes I realise you too have tasted love You've tasted love, you know it's good
Come taste my love, you know you should
You've tasted love, you know it's good
