Hey Groupie

Hurriganes

Hey groupie won't you take my hand
I'll show you where heaven stand
It's just like they did on the movies a street
It's just like they did oh
When the Lily was Queen
Don't you know i can show you how
Lily took that old mans proud
She took him to a place called lsd
She took him to die
Baby can't you see
Oh Lily
Come on darling let me try
Just a little rocking while
Come on rolling in the rag
I'm rolling, i'm bowling
If your not around
