Blame

Tropics

Did I just let you go?
Felt so wrong
I must have just hesitated
'Cause now you're gone
Blame me for all this
Just run back through here
Blame me for all this now
Just come back home to me
I couldn't just let you know
What I felt when he put his hands on you
I must have just hesitated
I know I saw too late to call
Blame me for all this
Blame me for all this
Just run back through here
Blame me for all this now
Just come back home to me
