

Boogie Woogie Country Girl (remastered)

Roomful of Blues

She wears loafer shoes, a dungaree
Red jacket shirt if you please
My boogie woogie, boogie woogie, boogie
woogie country girl
Well I mean what I mean, my boogie
woogie country girl
Now she digs that music with a beat
Rock 'n' rollin' is her need
My boogie woogie, boogie woogie, boogie
woogie country girl
Well I mean what I mean, my boogie
woogie country girl
On Saturday night she comes to town
She plays the jukebox, let her hair hung
down
My boogie woogie, boogie woogie, boogie
woogie country girl
Well I mean what I mean, my boogie
woogie country girl
Let 'em roll
She digs some cherries, she can milk a
cow
Don't like squares, though daddy taught
her how
My boogie woogie, boogie woogie, boogie
woogie country girl
Well I mean what I mean, my boogie
woogie country girl
She's up every mornin' about half past
five
She likes to go fishin' 'cause it keeps you
alive
My boogie woogie, boogie woogie, boogie
woogie country girl
Well I mean what I mean, my boogie
woogie country girl
Now when she's dancin' the kids hang
round
They dig my baby 'cause she really goes

to town
My boogie woogie, boogie woogie, boogie
woogie country girl
Oh, you dig what I mean, my boogie
woogie country girl
Yeah, swing it man, I like a good rockin'
band
Yeah, we need to knock a-knockin'
And I love to rock a-rockin'
Yeah, my boogie, boogie woogie country
girl
Early in the m'ning, yeah
Yeah, come to me mama, hold me in
your arms
Boogie woogie, boogie woogie, boogie
woogie country girl
Play it man, oh
Yeah, rock it
