I Should Go

Good Old War

Kiss me, she said.
Don't let this moment pass you by.You missed me, she said.
But I only closed my eyes for a second.Let's forget about tonight,
and think tomorrow.
I can only think of one reason why I should go but,
I should go.Don't leave, she said.
It seems she can't make up her mind.Let's forget about tonight,
and think tomorrow.
I can only think of one reason why I should go but,
I should go.I'll see you tomorrow,
I'll see you tomorrow,
I'll see you tomorrow.
Kiss me, she said.
Don't let this moment pass you by.You missed me, she said.
But I only closed my eyes for a second.Let's forget about tonight,
and think tomorrow.
I can only think of one reason why I should go but,
I should go.Don't leave, she said.
It seems she can't make up her mind.Let's forget about tonight,
and think tomorrow.
I can only think of one reason why I should go but,
I should go.I'll see you tomorrow,
I'll see you tomorrow,
I'll see you tomorrow.
