

Major Minus

Coldplay

They got one eye on what you knew
And one eye on what you do
So be careful who it is you're talking to
They got one eye on what you knew
And one eye on what you do
So be careful what it is you're trying to do
And be careful when you're walking in the view
Just be careful when you're walking in the view!

Ooh-oooh-oooh

Ooh-oooh-oooh-oooh

Got one eye on the road and one on you!

Ooh-oooh-oooh

Ooh-oooh-oooh-oooh

Got one eye on the road and one on
They got one eye on what you knew
And one eye on what you do
So be careful 'cause nothing they say is true
But they don't believe a word

It's just us against the world
And we just gotta turn up to be heard
Hear those crocodiles ticking 'round the world
Hear those crocodiles ticking (they go) ticking 'round the world

Ooh-oooh-oooh

Ooh-oooh-oooh-oooh

Got one eye on the road and one on you!

Ooh-oooh-oooh

Ooh-oooh-oooh-oooh

Got one eye on the road.
She can't hear them climbing the stairs
I got my right side fighting
While my left eye's on the chairs

Ooh-oooh-oooh

Ooh-oooh-oooh-oooh

Got one eye on the road and one on you!

Ooh-oooh-oooh

Ooh-oooh-oooh-oooh

Got one eye on the road and one on you
