Soon

Lior

Soon it's only an emotion
The heart and room will want
Though it seems so far away.
Your heart ache is someone squeeze it out of your soul
Beyond your control, you're sure, soon!
Oh, we're divided
How we come up on!Your headache is your imagination
Telling you you'll always be alone, no!
Oh, we're divided
How we come up on!
Always, the end is always night
Illuminate the sky!
Open your gates, we're just passing by.
Oh, we're divided
How we come up on!
