

# Ready To Roll

## Witchfynde

Don't pretend that you aint feelin restless  
In your mind you're askin' who is the best  
    What you got we only want to borrow  
So let go because we'll be gone tomorrow.

    But be there tonight

    Be there tonight

    Be ready to roll

They're getting fat just handin' out their favors  
They're always watchin' everythin' we do  
The mean bastards dealin' in slave labour  
    An' they're out to get you and you  
    Happy inside can't you see we're reelin'  
There's somethin' comin' and it's getting' near  
    Must be that heavy stuff you've been dealin'  
    We're flyin' high we've got nothin' to fear
