

# Hate to Drive

## Nobodys

The asshole in front of me is riding his brakes.  
The speed limit's 35, he's going 28.  
Looks like there's a wreck ahead.  
I knew i shoulda stayed in bed.Cause i hate to drive.  
I hate to drive.  
I hate to drive.On the highway i'm a mess.  
I'm pissed off and in distress.  
It won't be long before i go insane and shout at people in the passing lane.Cause i hate to drive.  
I hate to drive.  
I hate to drive.
