

3-D

Cheap Trick

(Look at me)
I appear in the night
(Look at me)
I'm made up of lights
(Look at me)
I am really a sight
A sight to behold
To hold with your eyes(Look at me)
I can move like you
(Look at me)
I can zoom in on you
(Look at me)
I can [Incomprehensible] or scream
I can make you laugh
I can make you scream3-D, the more you look
The more you'll see
3-D, the more you look
The closer I'll see you(Look at me)
I get out of control
(Look at me)
You can look down my throat
(Look at me)
But you can't out just me
I'm mind, I'm matter on the video screen(Look at me)
Ooh, the reds and greens
(Look at me)
All the colors so real
(Look at me)
I'll make you laugh, I'll make you scream
I'm mind, I'm matter on the video screen3-D, the more you look
The more you'll see
3-D, the more you look
The closer I'll see youI like what I see, I feel good about me
You'll like what you see, you'll like what you see
You'll like what you see, you'll like what you see
You'll like what you see, well, it's a 3-D3-D, the more you look
The more you'll see
3-D, the more you look
The more you'll see3-D, the more you look

The more you'll see
3-D, the closer you look
The closer I'll see you
