

# Its Amazing What Praising Can Do

## Carroll Roberson

It's amazing what praising can do

Have you ever been walking in the night,  
and you lift your hands up to the sky.  
It's amazing what praising can do. 2x

Have you ever been talking to the Lord,  
you don't worry bout your troubles anymore.  
it's amazing what praising can do. 2x

Hear the wind a whistling in the trees,  
think of salvation that is free,  
look at the rainbow in the sky;  
and remember that Jesus is eternal life.

Have you ever seen a sunrise int the morn,  
and you thank, the good lord you were born.  
It's amazing what praising can do. 4x
