

Walking Alone

Nikos Ganos

You don't have to stay
You 're not gonna stay
I can see it in your face
We tried it before
We're losing control
I can't do this anymore

Oh, oh, oh oh
Maybe you're right
Maybe I'm wrong
I'm walking alone

Oh, oh, oh oh
Maybe you're right
Maybe I'm wrong

Oh, oh, oh oh
Maybe you're right
Maybe I'm wrong
I'm walking alone

You don't even lie
You don't even cry
There's nothing that could change my mind
Don't call anymore
Just leave alone
Baby all love is gone

Oh, oh, oh oh
Maybe you're right
Maybe I'm wrong
I'm walking alone

Oh, oh, oh oh
Maybe you're right
Maybe I'm wrong
I'm walking alone

Maybe you're right
Maybe I'm wrong

Baby all love is gone

Maybe you're right

Maybe I'm wrong

Baby all love is gone
