

They Tell Me

Cat Power

They tell me what they do
I don't know what they're talking about They tell me what they do
I don't understand what they're talking about
They're talking about it I did not start this conversation
I don't intend to keep talking about it
They tell me about it Maybe if I pray to the Lord above
I'll get some sleep
But the Lord don't give a shit about me
