

Never Stop (Jan Kincaid Vocal Version)

The Brand New Heavies

Never stop me for give in up
Never stop me for give in up
Never stop me for give in up X 2 Giving up feels so good to be together
Spending some time
Making love
Making plans to last forever
Staying true until the end Pre
True oo theres aint a minute of the the day that's without you
Hoping that you feel it too What you want
What your feelin I am feelin too
Never stop never givin up 4 bars break Never stop me for give in up
Never stop me for give in up
Never stop me for give in up never green growin up but fadin never
this is what Id love to gain
free at last
free from all the pain and sorrow
never feel the hurt again pre X 2 break down
take your time wont you try love
not a thing you can but love X 2 pre X 1 ad lib sax out never stop never stop
