Stupid Song

The Vindictives

All i wanna do is write a stupid song
With a three line chorus, you can sing along
And if it feels so good until it's gone, will you love me?Look at me, tell me i'm a loser
A simple minded microphone abuser that is me
I guess iknow the reason why you hate me
But i won't let your condescension break me so sorryAll i wanna do is write a stupid song
With a three line chorus, you can sing along
And if it feels so good until it's gone, will you love me?All i wanna make is a melody
The kind that sticks down in your memory
And if it feeds our rock n' roll fantasies, will you love me?Music ain't some kind of competition
If you don't like me you don't have to listen to my songs
And you said this band ain't shit until you're wasted
So pour another drink for me
