Smell the Roses

Kurt Nilsen

Don't, don't disappoint me
I've done nothing wrong
but to support youYou create a wall
That's too hard to crack
I cannot reach you
And I cannot go back, yeahNew boarders to bend the rules
New lifestyle, to make you new
Those sad eyes, when I'm with youI've lost you
Hell I've lost youWake up and smell the roses
We had it all going our way
But now it hurts to tell you
Oh my god, it hurts to tell you, yeahWake up and smell the roses
This was too good to be true
So now it's time to say it:
I've lost you
Hell I've lost youYou - you call me
Old habbits die slowly
And they're hard to give upNew boarders to bend the rules
New lifestyle, to make you new
Those sad eyes, when I'm with youI've lost you
Hell I've lost youWake up and smell the roses
We had it all going our way
But now it hurts to tell you
Oh my god, it hurts to tell you, yeahWake up and smell the roses
This was too good to be true
So now it's time to say it:
I've lost you
Hell I've lost you(guitar)New boarders to bend the rules
New lifestyle, to make you new
Those sad eyes, when I'm with youI've lost you
Hell I've lost youWake up and smell the roses
We had it all going our way
But now it hurt to tell you
Oh my god, it hurts to tell you, yeahWake up and smell the roses
This was too good to be true
So now it's time to say it:
I've lost you
Hell I've lost you(Wake up and smell the roses)(Wake up and smell the roses)
