

Everything

Fefe Dobson

Ayo ladadayo
Ayo ladadayo ladeeda Sometimes I give in to sadness
Sometimes I don't
Doo doo doo doo
At times I'm part of the madness
Sometimes I won't
Give in to you You see in a way
I have been driftin' down a river to nowhere
And you've given me nothing But if you're ready to be my everything
If you're ready to see it through this time
And if you're ready for love then, this I will bring
But I'm not gonna wait for you forever this time
Ladeeda ayo, ladadayo ladeeda At times I feel myself smiling
At times, I'm not
Doo doo doo doo
Hey yeah
What's with that guilt that you styling baby talk
Don't look good on you You see in a way
I have been lookin' for a reason to go there
And you're leadin' me nowhere And if you're ready to be my everything
If you're ready to see it through this time
And if you're ready for love then, this I will bring
But I'm not gonna wait for you forever this time
Ladeeda ayo, ladadayo ladeeda Are you waiting for a special occasion
To give me your heart
'Cause I need a little confirmation
To make a real start
Don't wait till it's too late
Are you ready to show me?
Are you ready to love me? You see in a way
I have been driftin' down a river to nowhere
And you're givin' me nothing And if you're ready to be my everything
If you're ready to see it through this time
And if you're ready for love then this I will bring
But I'm not gonna wait for you forever this time And if you're ready to be, ready to be my everything
And if you're ready to see it through this time
If you're ready for love then this I will bring
I'm not gonna wait for you forever this time
Ladeeda ayo, ladadayo ladeeda
