

Dj Ease My Mind (Skrillex Remix)

Niki & the Dove

In a, in a deep sleep
Awakened, by the dragons
Kept you hidden, here with me
Was not prepared, for a dead end Take me, take me downtown
Tonight, I want to forget
I want lights to, blind me
I want peace, want to disappear Oh oh DJ, ease my mind will you
Play that song again, cause we were in love
Before, before the rain began
And if I cry out, cover my ears A foreign hand, and runaway horses
Restless doubt heart, in a vision
I did not see, see it coming
Now it's in my blood, now it's in my blood Oh oh DJ, ease my mind will you
Play that song again, cause we were in love
Before, before the rain began
And if I cry out, cover my ears (Play that song again) Oh oh DJ, ease my mind will you
Play that song again, cause we were in love
Before, before the rain began
And if I cry out, cover my ears DJ, ease my mind will you
Play that song again, cause we were in love
Where we heard it the first time
And if I cry out, cover my ears
