Britney

Busted

Your face is everywhere I go now
And you're on every television show now
Baby, I need you
You're everything I want in someone
But you don't even know who I am
Baby, why should you
Sweating all over your video
Watching every single scene in slow mo
Trackin' you down on the Internet
'Cause I ain't seen you naked yet
I want you Britney, I need you here with me
You know that I won't stop until I've got you
I want you Britney
I even know the place that you live
And I don't care who your boyfriend is
'Cause one day it's gonna be me
And I think that I'm obsessed with you girl
'Cause I copy everythin' you do now
And Pepsi lets me taste you
God must of spent a little more time on you
In school uniform you look so good
And you say that your not a girl
But I'll make you a woman
I want you Britney, I need you here with me
You know that I won't stop until I've got you
I want you Britney
Every single thing you do
Every time I look at you
I become I slave for you
You drive me crazy
You know that I won't stop until I've got you
I want you Britney
What the hell can I do
To get closer to you
You can run you can't hide
I'll make you feel good inside
What the hell can I do
To get closer to you
You can run you can't hide

I'll make you feel good inside
I want you Britney, I need you here with me
You know that I won't stop until I've got you
I want you Britney
I want you Britney, I need you here with me
You know that I won't stop until I've got you
I want you Britney
