Advisory - the following lyrics contain explicit language:

Said I been gone for so long where my mind been at  
wont you please wake me up wont you please bring me back  
daydream fantasy and my mind went to sleep  
eyes closed up from you with my heart heavy  
so wont you please wake me up and shake me up and take me up said babylon will make me shock wave yes I  
had enough  
so open up and lift the gates redemption coming like a run away truck  
op! diggy do-do-do, you make my heart want to serve you and I'm bound to erupt you lift me up from quick  
sand in a world gone corrupt no longer stuck up up and away we go Yerushalayim is our home  
(chorus:  
said lord raise me up from the ground I've been here so long I said lord raise me up from the ground) bass  
man! When it started it'd be etched into my brain elevation  
the shield that david blazed, into my brain waves  
and i'm raisin' my soul like a sword in ancient days  
when protection surrounded me like the sun's rays  
Started it'd be etched into my brain elevation  
the shield that david blazed, into my brain waves  
and i'm Raisin' my soul like a sword in ancient days  
when protection surrounded me Like the sun's rays  
(chorus)
