Goodnight Love

Tess Parks

Goodnight Love
I'll give you a name
Then run away
From myself again
When it's much too lateTo will to rise and shine
No, everything is mine and nothin' is ours
Though I want you bad
My love's a waste
Yeah mine too vain
Roamin' around with an old group of friends
Who have known you long time
Who as trees grow slow
Yeah, ten feet highAnd decorated them on Christmas
All rosaries around their necks
Jesus ornaments
Yeah and where will you go when you die
Yeah where will you spend eternity
Yeah so goodnight love
I'll give you a name then run away
Yeah I'll run away
Yeah you run away
