

For the Life of Me

[Daniel Kirkley](#)

For the life of me
I am searching for the strength to stand
For the life of me
I cannot go on the way I am
So Father, here I come
Reaching for Your love Oh Lord, how could I give-up?
You gave Your last heartbeat
For the life of me For the life of me
I'm running to the end of myself
For the life of me
I'm giving in and crying out for help
So come in like the day
And chase the dark away Oh Lord, how could I give-up?
You gave Your last heartbeat
For the life of me Everything You are
Is everything I ever really wanted
I surrender now only to You
You made my heart, now save it Oh Lord, how could I give-up?
You gave Your last heartbeat
You gave Your last heartbeat
You gave Your last heartbeat
For the life of me
