Secret Smile

Althea Rene

Nobody knows it but you've got a secret smile
And you use it only for me
Nobody knows it but you've got a secret smile
And you use it only for me
So use it and prove it
Remove this whirlin' sadness
I'm losin', I'm bluesin'
But you can save me from madness
Nobody knows it but you've got a secret smile
And you use it only for me
Nobody knows it but you've got a secret smile
And you use it only for me
So save me, I'm waitin'
I'm needin', hear me pleadin'
And soothe me, improve me
I'm grievin', I'm barely believin' now, now
When you are flyin' around and around the world
And I'm lyin' alonely
I know there's somethin' sacred and free reserved
And received by me only
Nobody knows it but you've got a secret smile
And you use it only for me

Nobody knows it but you've got a secret smile
And you use it only for me
So use it and prove it
Remove this whirlin' sadness
I'm losin', I'm bluesin'
But you can save me from madness now, now
When you are flyin' around and around the world
And I'm lyin' alonely
I know there's somethin' sacred and free reserved
And received by me only
Nobody knows it but you've got a secret smile
And you use it only for me
Nobody knows it but you've got a secret smile
Nobody knows it, nobody knows it
Nobody knows it but you've got a secret
Nobody knows it, nobody knows it

Nobody knows it but you've got a secret
Nobody knows it, nobody knows it
Nobody knows it but you've got a secret
Nobody knows it, nobody knows it
Nobody knows it but you've got a secret
