The Clapping Song

Barney

This is a song and a clapping game
It's so much fun to play
You can do with a group
You can do it by yourself
You can do it 'most everydayJust listen now
I got itThe good thing about this clapping
Is that the rhythm will never, never change
But the things we're about to clap on
May seem a little strangeOn your tummy now
On your shoulders
On your knees now
On your hips nowHere is the end of the clapping song
It's sung in many lines
Just to make us feel good and the very last time
Everybody claps with your handsHere we go now
For the last time
Yeah
