You Must Believe In Spring (Take 1)

Tony Bennett & Bill Evans

When lonely feelings chill
The meadows of your mind
Just think if winter comes
Can spring be far behind?Beneath the deepest snows
The secret of a rose
Is merely that it knows
You must believe in springJust as a tree is sure
Its leaves will reappear
It knows its emptiness
Is just a time of year
The frozen mountains dreams
Of April's melting streams
How crystal clear it seems
You must believe in springYou must believe in love
And trust it's on its way
Just as a sleeping rose
Awaits the kiss of MaySo in a world of snow
Of things that come and go
Where what you think you know
You can't be certain of
You must believe in spring and loveYou must believe in love
And trust it's on its way
Just as a sleeping rose
Awaits the kiss of May
So in a world of snow
Of things that come and go
Where what you think you know
You can't be certain of
You must believe in spring and love
