

# Fast Awakening

## Gone Is Gone

First thing you said to me was to turn around  
You got nothing to lose  
Everywhere I go people drive me crazy in so many ways  
And I can't take it all  
I'm running away and I can't see  
What's better for you is not best for me  
Pushing forward another day  
The path is blocked go the other way  
I'm taking the punches  
Blame it on my ignorance  
It's mine to choose  
It's mine to choose  
Now I know some answers are never found  
And that's the truth  
And that's the truth  
I'm running away and I can't see  
What's better for you is not best for me  
Pushing forward another day  
The path is blocked go the other way
