

The Aftermath (The Guillotine Part III)

Escape the Fate

All of their bodies around me.
I hear their voices inside.
The battle's over.
This war has been won.
Visions haunt me in my dreams.
Visions of what I've done.
So much blood shed.
Now am I worthy to come home. My God forgive me
For all of the bodies
I've taken in batter.
Oh God don't forsake me. I will stand right by your side.
I have made it through the fight.
Now I'm coming home,
Now I'm coming home.
I will stand right by your side.
I have made it through the fight.
Now I'm coming home,
Now I'm coming home. I've been knee deep in water.
It's time to be set free.
So devastated.
The damage has been done.
So violated. Like I've been
Raped and left for dead.
I'm lying naked.
I'm lying naked on the floor. My God forgive me
For all of the bodies
I've taken in battle.
All's fair in love and war. I will stand right by your side.
I have made it through the fight.
Now I'm coming home,
Now I'm coming home.
I will stand right by your side.
I have made it through the fight.
Now I'm coming home,
Now I'm coming home,
Yeah, I'm coming home. This is the last time I
Raise a fist to fight.
Reach out your hands to me
And let's just disappear. This is the last time I

Raise a fist to fight.
Reach out your hands to me
Let's just disappear.I will stand right by your side.
I have made it through the fight.
Now I'm coming home,
I'm comingI will stand right by your side.
I have made it through the fight.
Now I'm coming home,
Now I'm coming home.
I will stand right by your side.
I have made it through the fight.
Now I'm coming home,
Now I'm coming home,Yeah, I'm coming home
Yeah, yeah, I'm coming home
I'm coming homeThis is the last time I
Raise a fist to fight.
Reach out your hands to me
Let's just disappear
Let's just disappear.
