

# Tim McGraw

## Taylor Swift

He said the way my blue eyes shined  
Put those Georgia stars to shame that night  
I said: "That's a lie."  
Just a boy in a Chevy truck  
That had a tendency of gettin' stuck  
On back roads at night  
And I was right there beside him all summer long  
And then the time we woke up to find that summer had gone But when you think "Tim McGraw"  
I hope you think my favorite song  
The one we danced to all night long  
The moon like a spotlight on the lake  
When you think happiness  
I hope you think "that little black dress"  
Think of my head on your chest  
And my old faded blue jeans  
When you think Tim McGraw  
I hope you think of me September saw a month of tears  
And thankin' God that you weren't here  
To see me like that  
But in a box beneath my bed  
Is a letter that you never read  
From three summers back  
It's hard not to find it all a little bitter sweet  
And lookin' back on all of that, it's nice to believe But when you think "Tim McGraw"  
I hope you think my favorite song  
The one we danced to all night long  
The moon like a spotlight on the lake  
When you think happiness  
I hope you think "that little black dress"  
Think of my head on your chest  
And my old faded blue jeans  
When you think Tim McGraw  
I hope you think of me And I'm back for the first time since then  
I'm standin' on your street  
And there's a letter left on your doorstep  
And the first thing that you'll read Is when you think "Tim McGraw"  
I hope you think my favorite song  
Someday you'll turn your radio on  
I hope it takes you back to that place

When you think happiness  
I hope you think "that little black dress"  
Think of my head on your chest  
And my old faded blue jeans  
When you think Tim McGraw  
I hope you think of me Oh, think of me  
Mmm You said the way my blue eyes shined  
Put those Georgia stars to shame that night  
I said, "That's a lie."
