

Justice For All

Social Distortion

We're sitting here in this hell
You know it's like a living hell
Was what you did really a crime?
The judge says you'll have to serve time
It's the law that you're in jail
It's the law that sets your bail
Don't bother to try and fight
It's only a few more nights
The deputy, had a bad night
He had a little fight with his wife
And so he's gonna be pissed at work
And he's gonna bum out your life
It's the law that you're in jail
It's the law that sets your bail
Don't bother to try and fight
It's only a few more nights
