Through The Fire

Donald Lawrence

I look in your eyes and I can see you've lived so dangerously
You're not trusting your heart to anyone
You've told me you're gonna play it smart
You're through before you start But I believe that
You've only just begun When love is good,
There's no saying no I love him so,
I'm ready to go

[Chorus]
Through the fire,
To the limit,
To the wall For a chance to be with you,
I'd gladly risk it all.
Through the fire Through whatever,
Come what may For a chance at loving you,
I'd take it all the way Right down to the wire
Even through the fire.

I know you're afraid of what you feel
You still need time to heal I can help if you'll only let me try
You touch me and something in me knew
What I could have with you
Now I'm not ready to kiss that dream goodbye When it's this real,
There's no saying no I love you (him) so,
I'm ready to go

[Chorus]

Through the test of time

[Chorus]

To the wire,
To the limit Through the fire,
Through whatever Through the fire,
To the limit Through the fire,
Through whatever Through the fire,
To the limit Through the fire,
Through whatever
