

# I've Got You Under My Skin

## Frankie Valli & The Four Seasons

I've got you under my skin  
I've got you deep in the heart of me  
So deep in my heart, you're really a part of me (baby, Ba-baby)  
I've got you under my skin  
I've tried so not to give in  
I've said to myself this affair  
Never will go so well  
But why should I try to resist  
When darlin' I know so well  
I've got you under my skin  
Sacrifice anything come what might  
for the sake of having you near  
In spite of the warning voice that comes in the night  
and repeats and repeats in my ears Don't you know (little fool, little fool)  
you never can win (never win, never win)  
use your mentality (never win, never win, never win); wake up to reality  
But each time I do, just the thought of you  
makes me stop before I begin  
Whoa Baby, under my skin (never win, never win)  
Baby, baby, under my skin  
Dont you know that each time I do, just the thought of you  
makes me stop before I begin  
( 'cause I've got you under my skin)  
Under my skin  
repeats never win, never win fade out
