

# Feel So Close

Nelly Furtado

[Verse 1]

I feel so close to you right now

It's a force field

I wear my heart upon my sleeve, like it's a big deal

Your love comes down on me

Surrounds me like a waterfall

And there's no stopping us right now

I feel so close to you right now[Verse 2]

I feel so close to you right now

It's a force field

I wear my heart on my sleeve, like it's a big deal

Your love comes down on me

Surrounds me like a waterfall

And there's no stopping us right now

I feel so close to you right now[Bridge]

And I never knew what I'm feeling when I'm with you, yeah

Never knew what I'm feeling when I'm with you, I'm with you

Come close and hold me now, hold me now

I'm coming close and hold me now, hold me now[Outro]

Cause there's no stopping us right now

I feel so close to you right now

I feel so close to you right now, force field

And there's no stopping us right now, yeah

I never knew what I'm feeling when I'm with you, I'm with you
