

Letter Never Sent

R.E.M.

It's been pretty simple so far vacation in Athens is calling me
And knock knock knock on wood I thought I'd left you behind
Heaven is yours heaven is yours heaven's yours where I live The thought of the catacombs left my soul at home
This letter never sent
And it's so far it's so dark I'm so lost
Heaven's yours, heaven's yours, heaven's yours where I live
(Another story another story for a while someone show me)
When I'm moving too fast, where's my new address? The water is evening now, the catacombs are filling in
If my soul was made of stone, no, not, not so dark, dark And it's so far, it's so dark, I'm so lost
And it's so far, it's so far, it's so far
