

# The Rubberband Man

## Detroit Spinners

Hand me down my walkin' cane  
Hand me down my hat  
Hurry now and don't be late  
'Cause we ain't got time to chat  
You and me were goin' out  
To catch the latest sound  
Guaranteed to blow your mind  
So high you won't come down  
Hey, y'all prepare yourself  
For the Rubberband man  
You never heard a sound  
Like the Rubberband man  
You're bound to lose control  
When the Rubberband starts to jam  
Oh, Lord, this dude is outta sight  
Everything he does  
Seems to come out right  
Once I went to hear them play  
At a club outside of town  
I was so surprised, I was hypnotized  
By the sound this cat's puttin' down  
When I saw this short fat guy  
Stretch a band between his toes  
Hey, I laughed so hard  
'Cause the man got down  
When he finally reached his goal  
Hey, y'all prepare yourself  
For the Rubberband man  
You never heard a sound  
Like the Rubberband man  
You're bound to lose control  
When the Rubberband starts to jam  
Got that Rubberband  
Up on his toes  
And then he wriggled it up  
All around his nose  
(Doo, doo, doo)  
Guaranteed to blow your mind  
(Doo, doo, doo)

Playin' all that music, yet keepin' time  
(Doo, doo, doo)  
Where in the world did he learn that, oh, Lord  
Lord, help him get away  
Hey, y'all prepare yourself  
For the Rubberband man  
You never heard a sound  
Like the Rubberband man  
You're bound to lose control  
When the rubber band starts to jam  
Doo, doo, doo  
Doo, doo, doo  
Doo, doo, doo  
Rubberband man, Rubberband man  
How much of this stuff, do he think we can stand  
So much rhythm, grace and debonair from one man, Lord  
And then he had nerve to wiggle his left toe  
To his knee, got the feelin' in his head, y'all  
Ah, come on, baby  
Hey, y'all prepare yourself  
For the Rubberband man  
You never heard a sound  
Like the Rubberband man  
You're bound to lose control  
When the Rubberband starts to jam  
Rubberband man starts to jam  
Movin' up and down across the land  
Got people all in his ways  
Everything about him seems out of place  
Just a movin', just a movin'  
Just a move-move-movin'  
Just a Rubberband, Rubberband man  
Just a movin', just a movin'  
Just a move-move-movin'  
Just a Rubberband  
Rubberband man  
Get down  
Oh, get down lover  
Uh-huh
