Go Now

Moody Blues

We've already said, "Goodbye"
Since you've got to go
Oh you had better go now
Go now, go now, go now
Before you see me cryI don't want you to tell me
Just what you intend to do now
'Cause how many times do I have to tell you
Darling, darling
I'm still in love with you now?We've already said, "So long"
I don't want to see you go
Oh you had better go nowGo now, go now, go now
Don't you even try telling me
That you don't want me to end this way
'Cause darling, darling
Can't you see I want you to stay?Since you've got to go
Oh you had better go now
Go now, go now, go now
Before you see me cryI don't want you to tell me
Just what you intend to do now
'Cause how many times do I have to tell you
Darling, darling
I'm still in love, still in love with you now?I don't want to see you go
But, darling
You'd better go now
