

# Days Like These

## All Faces Down

I can't escape, I am burning out, and finally I'm back on my own  
it seems to be the hardest day, my world has ever shown  
is this how I have to live? is this my fate? is this my fate?  
is this how I have to live? I hate such days like these

new day, new pleasure in this wide world,  
to try to get along with myself but I get hurt  
this time I'm failing, can't leave my matters behind me, damn  
I hate this daily breakdowns in my world, breakdowns in my world

I can't escape, I am burning out, and finally I'm back on my own  
it seems to be the hardest day, my world has ever shown  
is this how I have to live? is this my fate? is this my fate?  
is this how I have to live? I hate such days like these

I need more chances, can't stand my ground  
I wanna reach the heights and not the ground  
this day's too heavy, it knocks me down  
fuck this, I won't give up, tomorrow I'll start a new round

I can't escape, I am burning out, and finally I'm back on my own  
it seems to be the hardest day, my world has ever shown  
is this how I have to live? is this my fate? is this my fate?  
is this how I have to live? I hate such days like these

now I'm down, I can't stand my ground  
now I'm down, I can't stand my ground  
I can't escape, can't get away

I can't escape, I am burning out, and finally I'm back on my own  
it seems to be the hardest day, my world has ever shown  
is this how I have to live? is this my fate? is this my fate?  
is this how I have to live? I hate such days like these

I hate these days  
can't get away
