

State Of Shock

The Sword

Yeah, come on, baby
You gotta be mine 'cause you're so fine
I like your style, it makes me wild
You take it to me good, you like it, know you should
You get me on my knees, well, please, baby, please
 Listen
She looks so great, every time I see her face
She put me in a state, a state of shock
 Oh, do it, come on, baby
 Come on, baby, come on, baby
She put me on my knees, please, baby, please
I know you like to tease, please, baby, please
You take it to me good, you like it, know you should
I love the way you walk and talk, baby, talk
 Listen
She looks so great, every time I see her face
She put me in a state, a state of shock
 She put me, state of shock
 Come on, dear, no, come over here
 Talk, talk to me, state of shock
 State of shock
 You put me in
You know I've really love you, baby
 State of shock
You know I really want you mama
 You got me paralyzed
 You got me paralyzed
 You got me catatonic
 You got me catatonic, baby
 State of shock
 You got me supersonic
 You got me supersonic, baby
Baby, try, you know I'm deep fried
 State of shock
Yeah, look what you've done to me
 Look what you done to me
 Look what you done to me
 Yeah, I can hardly move
 State of shock

You know I need mouth to mouth resuscitation
 Come on, baby
You know I've really loved you, baby
 State of shock
You know I've really want you for me
 Yeah, baby, yeah, baby
Just look at me, look at me
 State of shock
 You drive me
 You call me, you call me
You call me in a state of shock
 Look at that, look at me
 Look at me, look at me
 Look at me, oh, look at me
