Gravity

John Mayer

Advisory - the following lyrics contain explicit language:

Gravity is working against me
And gravity wants to bring me down
Oh, I'll never known what makes this man
With all the love that his heart can stand
Dream of ways to throw it all awayWhoa, gravity is working against me
And gravity wants to bring me down
Oh, twice as much ain't twice as good
And can't sustain like one half could
It's wanting more that's gonna send me to my kneesOh twice as much ain't twice as good
And can't sustain like one half could
It's wanting more that's gonna send me to my kneesWhoa, gravity, stay the hell away from me
Whoa, gravity has taken better men than me
Now how can that be?
Just keep me where the light is
Just keep me where the light is
Just keep me where the light is
Come on keep me where the light is
Come on keep me where, keep me where the light is.
