

Good News Is No News

Therapy?

Everything's a fucking drama.
Don't you want a little piece? You're tangled up in a self-made hell,
Don't you wanna be released? In your shoes,
Good news is no news;
In your shoes You never used to be so bitter,
Now all your empathy has gone It's so pathetic and desperate,
Why can't you just move on? In your shoes,
Good news is no news;
In your shoes In your shoes,
Good news is no news;
In your shoes And I'm sorry for your trouble,
But I've got troubles of my own I tried to help you once,
But it will never happen again. In your shoes,
Good news is no news;
In your shoes In your shoes,
Good news is no news;
In your shoes In.. your.. shoes
In.. your.. shoes
In.. your.. shoes
