## **Mirror Mirror**

## **Cherri Bomb**

Look inside my eyes You can see everywhere I've been You can drag me down I'll come right back again You gotta hold on to every little thing Every little bag of bones When the love's gone you shoot from the hip You make or break it on your own Love takes your heart away And gives it back in pieces I look at myself and say "I know who to believe in" Mirror, mirror on the wall I'm still here, I survived it all Mirror, mirror, tell me more If that was love, then love is war I am gonna fight until I win Another place in time I might have given in You gotta hold on to every little thing Every little bag of bones When the love's gone you shoot from the hip You make or break it on your own Love takes your heart away

And gives it back in pieces
Now all I have to say
I know what I needed
Mirror, mirror on the wall
I'm still here, I survived it all
Mirror, mirror, tell me more
If that was love, then love is war
Mirror, mirror on the wall
I'm still here, I survived it all
Mirror, mirror, tell me more
If that was love, then love is war
Mirror, mirror, tell me more
If that still here, I survived it all
I'm still here, I survived it all
Mirror, mirror on the wall
I'm still here, I survived it all
Mirror, mirror, tell me more

If that was love, then love is war
Mirror, mirror on the wall
I'm still here, I survived it all
Mirror, mirror, tell me more
If that was love, then love is war
Mirror, mirror
Mirror, mirror
Mirror, mirror
