Wired To The T

Dorrough

T T wired to the T
[Incomprehensible]Mr. Mr. D O double R
I got in my mind [Incomprehensible]
Oh my, guess who
Mr. D O double R O U to the G H
Do I know you?
Yeah, get it girl, show 'em how a pro do
Wired to the T, I got the whole club
Wired to the T, man hold up
Wired to the T, if I like it I'm gonna throw dubs
So go drop it down, make ya ass in the floo' world girl
I'm gettin' money like ya ain't never seen
So, shake it for me when ya see me on the scene
Gone, get it in like a double shift worker girl
Stack your cheese like a double cheeseburger
Is a party gonna end? No
Might be three, might be four
If I can't drink then I can't go
This song got everybody on the floo'
T T wired to the T
T T wired to the T
T T wired to the T
T T wired to the T
More, more, we want more
If we can't drink then we can't go
If they gone hate then let them know
I slide me a hater like a patio door
Off in my zone, already gone, 1, 2, 3, 4 shots to the dome
Now I'm drunk, got 'em lil' mama crunk
Tell her shake it, shake it, shake it
Miss junk in the trunk so crunk
'Cause I'm outta there before I even walk through the door
And you know a nigga gone when he walk up to a hoe
Like excuse me miss, I ain't tryin' be funny
Let me beat that pussy like it'd owe me money
Is a party gonna end? No
Might be three, might be four
If I can't drink then I can't go
This song got everybody on the floo'

T T wired to the T
T T wired to the T
T T wired to the T
T T wired to the T
I got liquor in my body, liquor, liquor in my body
Liquor, liquor in my body
I got, I got liquor in my body, liquor, liquor in my body
Liquor, liquor in my body
I be, I be runnin' through these hoes like I'm Tony Dorrsett
Runnin', runnin' through these hoes like Tony Dorrsett
Yeah, and my whole clique fly like the New York jets
We be runnin' through these hoes like we Tony Dorrsett
[Incomprehensible]This is the part where you walk to my mamma
Like girl you fine, girl you fine
And after this song, I'ma make you mine
Is a party gonna end? No
Might be three, might be four
If I can't drink then I can't go
This song got everybody on the floo'
T T wired to the T

Might be three, might be four
If I can't drink then I can't go
