

# Liquid Diamonds

[Tori Amos](#)

Surrender then start your engines  
You'll know quite soon what my mistake was  
For those on horseback or dog sled  
You turn on at the bend in a road I hear she still grants forgiveness  
Although I willingly forgot her  
The offering is molasses and you say I guess I'm an underwater thing  
So I guess I can't take it personally  
I guess I'm an underwater thing, liquid running There's a sea secret in me  
It's plain to see and it is rising  
But I must be flowing liquid diamonds, liquid diamonds Calling for my soul  
And at the corners of the world  
I know she's playing poker  
With the rest of the stragglers Calling for my soul  
At the corners of the world  
I know she's playing poker  
With the rest, the rest And if your friends don't come back to you  
And you know this is madness  
A lilac mess in your prom dress and you say I guess I'm an underwater thing  
So I guess I can't take it personally  
I guess I'm an underwater woman, liquid running There's a sea secret in me  
It's plain to see and it is rising  
But I must be flowing liquid diamond, liquid diamond I call, I go inside a shell  
I see it's old and you're doing oh so well  
These days you do it again and I say it's coming back  
Again something like the And Saturday, such was it  
Can he bring me those dreams  
Keep it back, dead is done  
Preaching back into himself  
Keep it just between us Liquid, liquid, liquid
